

Exhibit 2

National Health Information Exchange

Participant acknowledges that HIN has connected to the federal Health Information Exchange (currently, the federal eHealth Exchange operated by Healtheway, Inc.), has adopted the Carequality Interoperability Framework, and is a CommonWell Service Adopter, but may include additional national or federal exchange frameworks as may be enacted from time to time (collectively, the “**National Exchanges**”). Participant agrees to comply with all applicable terms of the federal Restatement II of the Data Use and Reciprocal Support Agreement (“DURSA”), the Carequality Connected Agreement, the CommonWell Health Alliance End User License Agreement, and any other federal standards that are implemented related to Health Information Exchange. Additional fees may apply to Participant for connection to the National Exchanges.
