

Exhibit C

Message Content: All patient health information, including Protected Health Information as defined by HIPAA, but excluding Specially Protected Information.

Permitted Purpose: Any use and disclosure for which an authorization is required as further set for in 45 CFR §164.508(a)(3) and (4).

Additional Terms:

1. Participant is subject to HIPAA, and as a result of the Agreement, HIN meets the definition of Business Associate or subcontractor Business Associate of Participant, or vice versa, the terms of Attachment A-1 to Exhibit A shall apply.
2. If Participant is not subject to HIPAA, Participant will use commercially reasonable efforts to comply with the material provisions of HIPAA.
3. The Parties will use commercially reasonable efforts to comply with the CARIN Alliance Code of Conduct related to Message Content Transacted under this Exhibit.
4. Participant represents and warrants that it (i) has obtained the necessary authorizations; or (ii) hereby delegates to HIN the authority to obtain the necessary authorizations, required under this Exhibit prior to Transacting Message Content under this Exhibit.
